

REPORT of the HEALTH COMMITTEE, Tuesday, 25th Sept. 11 o'clock. A. M.

New Cases, last 24 hours, 7
 Number of sick, 41
 Dangerous, 6

DEATHS since our last Report, Sept. 18, viz.

A daughter of Mrs. Helpen.

Mr. Rufus Jones, aged 22, of Stamford.

Mrs. Lucy Welles.

Mrs. Potter, wife of William Potter.

Mr. John Watson, aged 45.

Mrs. Allyn, wife of Philip Allyn.

George Angel, son of widow Angel.

Richard a black man,

Three children, one of whom not by the fever.

On Great Neck, Rogers Tinker, aged 23.

Quaker-Hill, Hezekiah Smith.

The Committee recommend to the citizens who have removed out, not to return at present; as the number of new cases the last week, have exceeded any preceding week.

John Woodward,	} Health Committee.
James Baxter,	
John Ingraham,	
Ebenezer Holt, jun.	

The Committee feel themselves under an obligation to acknowledge the following donations for relief of the sick and distressed in this city, viz.—

Capt. Daniel Dethon, a cart load of Potatoes.

Joshua Raymond, Esq. Montville, a fat Cow.

Mr. Samuel Dolbear, do. one bbl. beef.
The courthouse in this city is converted into a hospital. Its airy situation and lofty rooms render it peculiarly eligible for the purpose.

A report has gone abroad that the intercourse between this city and Norwich was stopped by the authority of the latter place. So far from this report being true, the citizens of New-London, owe unbounded gratitude to their sympathizing brethren of Norwich, who have in numerous instances opened their hospitable doors, and bid us welcome:
